

Sunday Group Changes

The proposed changes for the Sunday Group are as follows:

The buy-in for the Sunday group will be raised to \$30.00 **which will be paid on arrival** instead of after the round is done.

We will blind draw for 2-man teams (1 low ball) rather than the past 4-man teams. If there are an odd number of players, the odd man will have a blind draw player from the group.

Those that declare what tees they will play from on the Miller Golf Club will have to play from the same tees on the Sunday group. The Tuesday-Thursday group tees will not be based on the tee decision from the Miller/Sunday group.

The \$30.00 pay-out will be broken down to:

\$12.00 going to 2-man handicapped Total (still buys drinks).

\$4.00 going to 2-man handicapped Front side

\$4.00 going to 2-man handicapped Back side

\$10.00 going to Greenies, Skins, and Low Net

There will no longer be a separate squirrel pay out.

There will be optional side bet for those interested in participating in. (Cliff or Craig Farmer will be in charge of that)
